Relatives Gone to the Sites Marriage

The marriage of Miss Edith E. Gibson daughter of Mr. and Mrs. Thomas A. Gibson, to Mr. John B. Mulloy took place at the home of the bride's parents, 1922 9th street, Wednesday evening, the ceremony being performed by Dr. W. R. Stricklen, pastor of Hamline M. E. BRANCH ELECTRIC ROAD,

Work in Progress in Vicinity of Silver Spring.

The work which was begun yesterday or the old Washington, Woodside and Forest Glen branch of the City and Suburban electric railroad at the intersection of Brightwood avenue and the line of the District of Columbia is being rapidly pushed forward. Yesterday morning a large force of men was put to work on the road. The old tracks were torn up for a distance of about three-quarters of a mile, and in addition

a large proportion of the tracks has been regraded and the rails relaid.

The company is rurning a stage coach along the portion of the road which is being reconstructed, to convey the passengers to and from the cars at either end of the excavation. The laborers at work on the road have sleeping accommodations in the form of tents, pitched at Silver Spring, where a commissary department has been established. Judging from the progress already made, it will be but a few days before this portion of the road will be ready for travel. In addition to laying new tracks and ties, the company proposes to erect new trolley poles.

The rubitic school-

as floor manager, and music for the occa-sion was contributed by young men in the neighborhood. Refreshments were fur-pished by the young ladies. The prizes for scholarship and attendance during the year were both won by Miss Lula Clark of Clif-
